NEW THIS YEAR

In an effort to better support the GABC athletic scholarships fund, the GABC Board has decided to change the way student athletes receive t-shirts. Going forward athletes will only receive 1 (one) t-shirt per school year regardless of how many sports they take part in and ONLY if they or their family are GABC Members. They will receive their t-shirt for the 2016/17 school year at the first athletic banquet they are scheduled to attend. Please make sure you indicate the t-shirt size for your Athlete on the form below.
